# PROTECT THE HEART OF YOUR HOME

There's nothing worse than waking up and finding that your heating system has unexpectedly broken down, leaving you in the cold. But did you know that most breakdowns can be prevented with regular maintenance?

Our range of 12-month central heating care plans, will give you confidence that you're doing everything you can to protect your system all year round. With a range of levels of cover, we're sure you'll find the right plan for you.

## PROPLAN

Our ProPlans are built to help you spread the cost of your annual boiler service throughout the year.

Every ProPlan also comes with a central heating system assessment, so we can make sure your heating is running as efficiently as possible.

Upgrade to the gold or platinum package to include some additional breakdown cover so you don't get left in the cold.
